#### FRIDAY, JULY 15, 1898.

"All Americans now!" When the natives once realize the force of Judge Wilcox's apothegm, they will begin to enjoy the restoration of happiness.

"Floating island" is John Bull's favorite dessert to his meals of "roast continent." Eighteen islands at a gulp, however, will soon clean out the larder, unless submarine volcanoes cook big new

After the war, Pacific cable and the Nicaragua canal. These two things must already be seen by the Nation to be indispensablenatural consequences of both the war experience and the annexa tion of Hawaii.

In the joy of the Ladrone natives at being taken under the American eagle's wing is seen a American eagle's wing is seen a duplicate of the emotion of South Sea Islanders, in many recorded northern end of the Red Sea. The cases, when the British flag has been hoisted over their heads, ensuring them peace and protection The colonizing genius is the same in the two English speaking peoby barbarians and savages.

read about carpet baggers' rule as been over the ground the lecturer if that were to be one of the prime did not wonder at the desire of results of annexation. To find some of the children to return to the haleyon days of the carpet the baleyon days of the carpet bagger in Hawaii, one must look of Petra were visited. This is a backward. It was when the peo- very dangerous country to travel ple of Honolulu would see a in, on account of the Arabs, who man's name, for the first time in their lives, in the passenger list of as described by Mr. Birnie it a steamer in an evening paper, takes one a long time to become and see it for the second time in accustomed to the gait. The the next morning's paper gazetted camels move a little faster than a Honolulu tramcar and they are as His Excellency of His Majesty's Cabinet.

Machine politics is it you expect? The most elaborate and complicated machine that can be imported from the wards of San Francisco will be clumsy and ineffec tive in comparison with the neat with your talk !

be ter attended to than hitherto on already mentioned. account of the annexation of Haand the Pacific as trophies of war. From the necessarily careful, deliberate and comprehensive legis lation for the government of out lying territories, something like a purse with the money. They had aniform system will probably made no attempt at robbing him. aniform system will probably result which will cover the needs of Alaska as well as all the new

MUMMIES AND MOUNTAINS,

Rev. D. P. Hirnie Follows the Path the Tribes of Israel Into the Desert.

There was a very large audince present at the lecture given by Rev. D. P. Birnie yesterday room of Central Union church. The lecture was illustrated by stereopticon views under the direction of Mr. Hedemann and Dr. Fratt, and was under the auspices of the Young Men's Research Club.

Before beginning the lecture Mr. Birnie spoke very feelingly of the pleasure he had taken in the meetings of the club and the enjoyment of the bright papers read by the different members at the

Preliminarily to the throwing of the scenes upon the screen the ecturer gave a short description f the land over which he and his companions had traveled. The story was told of the finding of

the West was carried on over the geography of the country is pecuhar and the mountains roll up from the plain in great ragged masses, reminding one somewhat with upon these islands. The ples, and it is quickly recognized plains and mountains are destitute of verdure and almost withtute of verdure and almost without vegetation. It is the land
which Israel entered when she
left Egypt. And after having
been over the ground the lecturer
when the decime of the control of the contro It makes one tired to hear and left Egypt. And after having the "flesh pots of Egypt."

about as comfortable.

The views shown were exceedingly fine and very interesting.

CHARGED WITH ROBBERY.

Two Manoa Natives Alleged to Have

Yesterday afternoon See Ku called at the police station and and direct acting engine of "the complained to Detective Kaapa good old days" of Hawaiian that he had been robbed of \$7.90 "freedom." That was when the by two natives, one of whom he whole battalion of Household could identify by a bite on the Guards would be marched, in thumb made by himself when he uniform and with side arms, over from the barracks to the pells at Aliiolani Hale, and every man required to expose in his hand the ballot given him to cast, until he dropped it in the box. Go'way it has a sailants. The thing had happened in Manoa Valley on Wednesday afternoon, when he was returning from his regular rounds with chefa tickets for a certain "bank" in town. The natives had assaulted him and taken tives had assaulted him and taken

Alaska will most likely be the away a purse containing the sum

A mounted patrolman was sent up to the place in company with after marriage: . waii and the acquisition of the the Chinaman. The two natives, various groups in the Atlantic Koi and Keawe, were found. The latter had the purse. They were taken to the police station and, upon being questioned, stated that they had frightened the Chinaman and that he had handed over his

The case of the two natives will come up on Tuesday. Attorney Kaulukou wiil appear for the defendants.
